

It **PAYS** to **STAY** with the **STRONGEST!**

Don't waste your time with CSN – a union with “one star” benefits and ZERO hospitality workers in the GTA. In 2018, we voted to stay with Local 75 and thank goodness.

Now the same organizers are using the **SAME EMPTY PROMISES** to sell us to CSN.

What Unifor promised	What Unifor delivered	What Local 75 delivered
Better Wages	Wage freezes	14.5% wage increases – best raises in memory
Better Benefits	Benefits lost a few months into the pandemic	Maintained benefits for everyone for 18 months during pandemic shutdowns

Strongest in the GTA!
Strongest in Canada!
