Protecting Our Families Through the Pandemic!

UNITE HERE Local 75 is pleased to announce that all Health & Welfare Benefits have been extended for UNITE HERE Local 75 members and their dependents until May 31, 2021, regardless of hours banked!

The UNITE HERE Health & Welfare Plan is one of the best plans in the country. As a member of UNITE HERE Local 75, you are one of the only hospitality and food service workers in the country with **full coverage** for you and your family **14 months** into the Covid-19 pandemic!

"I'm so proud of my Union and grateful to be a part of UNITE HERE Local 75. I sleep easier knowing my family and I don't have to worry about paying for prescription drugs, even though I've been laid off since March 2020. Having full benefits during this crisis has brought so much comfort to my entire family."

—Leonora Mulholland, Fairmont Royal York

When COVID-19 devastated the Canadian hospitality industry, UNITE HERE Local 75 never stopped fighting for workers and their families.
