

IMPORTANT BENEFITS UPDATE

UNITE HERE LOCAL 75 IS PROUD TO ANNOUNCE THE FOLLOWING BENEFIT IMPROVEMENTS!

March, 24 2020:

No loss of benefits during the crisis

Due to the current COVID-19 situation, all active members of the UNITE HERE Health & Welfare Plan (both full and part time) will remain eligible for benefits at least until June 30th, 2020 regardless of hour-bank balance.

Your leadership at Local 75 will continue to monitor the situation should the crisis extend into July.

Doctor's notes only every 12 months

Going forward, all physician's diagnosis and referral will last 12 months from date it was signed, instead of 6 months, unless more frequent medical documentation is requested by Soben.
